

## Wayne's Drive Inn By Payton Moody

Established in 1950, Wayne's Drive Inn has been a staple of the Lawton community for decades.

On Friday evenings, it has been a place to drag, a place to meet your wife, and a place to show off your automobiles. It has been a favorite of Lawtonians for decades. In Lawton, Oklahoma, the phrase "Let's Go to Wayne's" may still be heard by many locals.

Wayne's offers a wide selection of food options, from burgers, fried dinners, and hot dogs to pizza, breakfast, and milkshakes!

This retro-style drive-in has something for everyone!

Aside from serving amazing diner and old-style foods, Wayne's Drive Inn is also heavily involved in community fundraisers and scholarship programs.

Wayne's Drive Inn currently has two bustling locations in Lawton, one on Sheridan Road and one on Cache Road.

In 2006, the family tradition continued when Wayne's grandson, Joe, and his dad opened a second location at 6810 NW Cache Road that Joe manages and has made a great success.

Wayne's has evolved through the years, but a few key ingredients remain, excellent service, great food, and a unique atmosphere.
